TOWN WARRANT

THE TOWN OF LITCHFIELD
THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM
7:00 AM to 7:00 PM

To the Inhabitants of the Town of Litchfield in the County of Hillborough in said State, Qualified to vote in Town Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID LITCHFIELD ON TUESDAY, MARCH 12, 1985, AT 7:00 AM TO ACT UPON THE FOLLOWING SUBJECTS:

1. To elect by ballot the following Town Officers:

Two Selectmen-one for three year term, one for one year term; one Fire Chief-one year term; one Road Agent-one year term; one Trustee of Town Trust Funds-three year term; two Library Trustees-three year terms; two Budget Committee Members-three year terms.

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID LITCHFIELD ON FRIDAY, MARCH 15, 1985, AT 7:00 PM TO ACT UPON THE FOLLOWING ARTICLES:

1. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

2. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a

public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-b.

3. To see if the town will vote to raise and appropriate the sum of $7,000.00 as its share to install an underground drainage system at the Aaron Cutler Memorial Library to eliminate the perennial flooding of the basement. The remaining $3,000.00 for the project will be provided by the Library Trustees utilizing library trust fund income. (By petition.) (Recommended by the Budget Committee.)

4. To see if the town will vote to recognize the following roads as dedicated to public use and hereby accept as Public Highways for the Town of Litchfield: Amsterdam Circle, Robyn Avenue from Oak Drive to Route 3A, and Rotterdam Drive from Cutler Road to Station 102+40.

5. To see if the Town will vote to raise and appropriate the sum of $70,000.00 to purchase approximately 10 acres of land along the Merrimack River for the purpose of Conservation and public access to the river, and to direct the Selectmen to apply for, accept and expend Federal Land and Water Conservation Fund Grant funds for the project, to reduce the cost to the town, and also to use up to $15,000.00 of the Conservation Fund toward the purchase price; and further to authorize the Selectmen to withdraw $20,000.00 for this purpose from the Federal Revenue Sharing Fund. This expenditure shall be contingent upon the approval of the Land and Water Conservation Fund Grant application by the Federal Government in an amount of not less than $35,000.00. (Recommended by the Budget Committee.)

6. To see if the Town will vote to rescind Article 8 of the Annual Town Meeting, March 16, 1984, whereby it was resolved to pay the following hourly pay scale for part-time employees effective April 1, 1984; $4.20 - unskilled labor, $4.50 - skilled and clerical labor, and $4.75 - administrative and high risk labor, and adopt in lieu thereof the following hourly pay scale for part-time employees effective April 1, 1985; $4.50 - unskilled labor, $4.75 - skilled and clerical labor, and $5.00 - administrative and high risk labor. (Recommended by the Budget Committee.)

7. To see if the Town will vote to raise and appropriate the sum of $40,000.00 for road construction and to authorize a setoff of $20,000.00 against this appropriation by the use of Highway Block Grant Aid Fund; and, further to authorize the Selectmen to raise the $20,000.00 balance of the appropriation by taxation. (Recommended by the Budget Committee.)

8. To see if the Town will vote to receive and accept a donation of $1,000.00 from the Litchfield Celebration 250 Committee and to create a trust fund with said donation for public purposes in accordance with RSA 31:19-a, as follows:

a) That said fund be administered by Trustees of Town Trust Funds of the Town of Litchfield.

b) That upon a majority vote of the Board of Selectmen, after a public hearing, the Board may authorize the expenditure of any or all principal or accumulated interest as they may deem appropriate to provide organizational and actual expenses for town sponsored fairs or celebrations.

9. To see if the Town will vote to raise and appropriate the sum of $50,000.00 to rehabilitate and secure the existing building and grounds at the Edward J. Roy Memorial Park for use as a community facility. (Not Recommended by the Budget Committee.)

10. To see if the Town will vote to raise and appropriate the sum of $8,000.00 to purchase a mid-size vehicle for use by the Building Inspector. Selection and purchase of said vehicle to be the responsibility of the Board of Selectmen. Purchase of said vehicle to be by competitive bidding. In addition, to authorize the Board of Selectmen to sell the Town vehicle being replaced by the new vehicle. Said sale to be conducted by public auction or sealed bid. (Recommended by the Budget Committee.)

11. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same, as set forth, posted herewith and to consider each item in whole or in part.

12. To transact any other business that may legally come before said meeting and to read the minutes of said meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our lord nineteen hundred and eighty-five.

AUDITOR'S REPORT
February 12, 1985

Carey, Vachon & Clukay are pleased to be selected as independent auditors for the Town of Litchfield, New Hampshire.

Please be advised that the audit is in process at this writing. After the examination has been completed, we will review the audit report and commentary letter with the Board of Selectmen.

It is not anticipated that our reports will be available for publication in this year's town report. Therefore, publication will be required in next year's annual report as required by R.S.A. 71-A:19 III.

Respectfully submitted,

Robert L. Vachon

ANNUAL REPORT

BOARD OF SELECTMEN

As Litchfield completes its 250th Anniversary we reflect back on the accomplishments of the past year. During 1984 progress was made on improving town roads and completion of projects undertaken in previous years. The Litchfield dog kennel nears completion and the contract was awarded for the repairs to the roof of the Darrah Pond building. The 250th Anniversary Celebration exceeded everyones expectations with terrific fireworks, very large crowds, and a parade down the Charles Bancroft Highway. Visitors included Governor John Sununu, Senator Gordon Humphrey, Representative Judd Gregg and many other state officials. Photos of the 250th Celebration activities are included in this Town Report.

Significant work in the area of road improvements included the completion of Robyn Avenue from Sterling Manor to Route 3A. This road construction eliminates the dangerous single access which has existed since the housing development was begun. The construction of the section of Albequerque Avenue planned for 1984 is being delayed until a developer in the area completes his section of roadway and funds from a related lawsuit settlement are available to apply toward the cost of construction.

The Litchfield investment in a study of water cotamination near the Hudson Landfill adjacent to the Litchfield town line resulted in a study by the Town of Hudson that confirmed the presence of contamination from their landfill. Town of Hudson will be voting at their Town Meeting to fund the closing of their landfill and any activities needed to eliminate the contamination and prevent any continued pollution of the town's water resources.

1984 was the beginning of yearly Town audits by a professional auditing firm rather than elected auditors. Finalization of recommendations of the computer selection committee will result in the town purchasing its first computer.

We express our special thanks to all the Litchfield residents who have given of their personal time to serve on Town Boards or to assist town organizations devoted to serving the youth of Litchfield. All town residents have the opportunity to become involved in local activities where they can directly effect the quality of their town's youth programs and governing organizations.

Stephen N. Robinson, Chairman
M. Patricia Jewett
James R. Toland

LITCHFIELD FIRE DEPARTMENT

Annual Report—1984

In 1984, the Fire Department logged 190 dispatcher-relayed calls, an average of one every other day. Many residents also telephoned me personally, requesting such services as stove, chimney and brush pile inspections, and participation in school-related activities. Many of these non-emergency duties are not included in the logged calls because no salary was requested for them; neither is administrative time figured in.

We are all aware of the proposed sub-divisions currently before the Planning Board. Once these are built, we can expect a further increase in fire, medical and service calls. Litchfield firefighters are well trained, with over 90% of the force certified as Firefighter I or better, and many also trained as medical responders. BUT they are all working men and women; only a couple of us are around in the daytime, and we're constantly having to leave our own businesses in order to respond to Fire Department emergency calls. I have already approached the Selectmen to discuss the need to staff the Fire Department during daytime hours with paid personnel; if developments continue as expected, I will be approaching Town Meeting, 1986, with this proposal.

Many people have helped to make my first year as Fire Chief productive and rewarding. Firefighter Dennis LaPlante put in many Wednesday night hours helping with the assignment of house numbers. (If you haven't got your correct number yet, I will be at the Fire Station for this purpose the second Monday evening of every month.) The League of Women Voters distributed copies of the House Numbering Ordinance and emergency-number telephone stickers along with their telephone books. Hudson, Londonderry and Manchester Fire Departments continued to offer us excellant Mutual Aid. Training Officers Lemire, Beetz and Shea conducted well-run sessions. Firefighter Barton did maintenance on the trucks. An impressive number of Department members completed firefighting and medical-assistance courses in outlying communities, in addition to participating in our local training. The Board of Selectmen offered tremendous support and cooperation, especially in helping me to unravel budget-related confusion.

I would like to thank Fire Captain Brent Lemire and former Firefighter William Mitcheson for the exceptionally fine Firefighters Ball on which

they worked so hard. It was very fitting that Litchfield's 250th Anniversary celebration began with a tribute to our former Fire Chiefs J. Wesley French, Robert Jerry, Leon Calawa Jr., Arthur Burgess, Lawrence Olson Sr., Ronald Mason and Thomas Levesque Sr.

Please help us to keep everyone safe and healthy this year. If you have children alone at home after school, DO NOT let them tend the family's wood or coal-burning stove. If you need an ambulance, don't make us waste time looking for "½ mile from Rodonis Farm". If you suspect a chimney fire, don't wait until the flames get into the partitions before calling us.

LIBRARY TRUSTEES' ANNUAL REPORT

This past year has been one of slow progress for the library—the trustees began to feel that we were in a state of suspended animation—most of the plans we've had for the library—to continue the conversion of the basement to a children's room, to transfer the adult collection, both fiction and non-fiction, to the north room upstairs and maintain the south room for young adults and reference—have had to be postponed while we wrestled with a water problem in the basement which has increased startlingly over the past few years to the point where we lost the use of the basement for a week this past spring due to several floods. The trustees, along with the librarian and assistant librarian, spent quite a few man-hours swabbing up.

We therefore resolved that, if we did nothing else this year, we would solve the water problem once and for all. With this goal in mind, we set out to find someone with some expertise to help us. Anyone who has ever owned a home knows that water in the wrong places is the most insidious and difficult of problems to solve.

Over the past several years we have approached the problem by soliciting recommendations from businesses advertising in the phone book etc., but, as we eventually discovered, each contractor recommended his specialty as the perfect solution. We were no closer to an answer than we had been when we first began. For this reason, we decided to hire an engineering firm to examine the problem and recommend a solution—in this way we could separate the craftsman from his craft and maybe get a straight answer. We contracted with Miller Engineering in Manchester and are now in possession of an engineering report which we will use as the basis of soliciting bids to correct the drainage around the building to carry the water away when the water table rises. This promises to be a relatively expensive job but we are willing to put in as much as we can to help finance the project and we strongly believe that the town will be willing to assist—the repair is long overdue and anyone who has been in the library recently and examined the basement will agree that measures need to be taken to prevent the building from rotting away on us. In this light, we might call it a relatively modest expense to save a building.

This is not to say that nothing else has been accomplished—as you can see, even from the outside, the interior upstairs renovation is almost

completed with addition of new blinds and the last tier of shelving for the north room. We have been spending some time weeding the collection and attempting to update the adult non-fiction and children's collections. We have been hit rather hard by the loss of the state bookmobile service which in the past provided a free turnover of adult books allowing us to concentrate on upgrading other areas of the collection. We have also determined that our copy machine, acquired from the Selectman's office several years ago is well on its way to becoming an antique for which parts and supplies are increasingly difficult to obtain. We intend to look for a new machine in this next year. If anyone has any recommendations or suggestions, we'd appreciate hearing from you.

In view of the increased difficulty in finding a parking space on meeting nights, the library has put an addition to the parking lot high on its list of capital improvements submitted to the Planning Board for inclusion in the Capital Improvements plan.

Respectfully submitted,

Pat Sutin

LIBRARIAN'S REPORT 1984

The past year has been one of continuing effort in upgrading both our library resources and facilities. Continual efforts will be made to update the resources of the library to meet the individual demands of the community. Over 550 new books have been added to our inventory, including a new Encyclopedia Britannica. Those books were aquired through purchases or by the generous donations of townspeople. A sincere thank you to the following families who have donated books or materials this past year; Lynn Thomas-Lordan, Yvonne McQuade, Robert Roy, Grochmal Family, Dickenson Family, Litchfield Jaycee Women, Cassidy Family, Mr. & Mrs. Wiatrzyk, Broussard Family, John Breen, Gloria Driggers, Florence King, Rita Kohari, Mary M. Hinman, Davis Family, Didio Family, Joyce Liptak, David Michaud, Elenor Levesque, Linda Linehan, Novak Family, Kay Husson, Olivier Family, Claudette Durocher, McKibben Family, Sutin Family.

Seventy-eight new borrowers were registered this past year and circulation was well over 10,000 books. Our two story hours for young children remain very successful. This has been possible only through the efforts of our volunteers; Pricilla Dorr, Heidy McGaffigan, Fran Ledoux, Terry Jefferson (director), Karen Hodge, Chris Ferraro, Leatha Warenda, Bonnie Redding, Mary Hopkins, Bertha Mieckowski.

The library is also making an effort to improve book delivery service to Senior Citizens and shut-ins. Several volunteers have signed up to help. If you want more information regarding this service please call the library at 424-4044.

Again a word of thanks to the many residents who have donated books, and the many volunteers who have helped by donating their labor to the library.

MERRIMACK HOME HEALTH CARE ASSN., INC.
1984 ANNUAL REPORT

Our Association's staff continue to serve the residents of your town in many ways. Our nurses provided skilled and long-term care, therapies provided rehabilitative measures, home health aides gave personal care, homemakers helped to enable patients to be at home in an adequate environment and our social worker helped with financial, social and economic problems. Our team effort is individually tailored to each patient's needs which allows each person to maintain as much independence and dignity as long as possible.

While the patient's needs and desires are our central focal point, we also are strongly committed to the cost savings that home care can achieve over institutionalization. The unemployment rate, which makes staffing a challenge, has made it difficult to provide as much service as would be ideal in some cases. Funding projections for 1985 are not as positive as in past years. Medicare remains a problem since the trend is toward more rigid definitions of eligibility.

In 1984 the following residents of your town devoted much time to our Association by serving on our Board of Directors; Claudette Durocher and The Reverend Howard Hinman.

AMENDED ZONING ORDINANCE

Are you in favor of the adoption of Amendment Number 1 to the existing Town Zoning Ordinance as proposed by the Planning Board?

Yes 164
No 87
Amendment carried

Full wording follows:
Amend the Ordinance by deleting the current section on light commercial zones and replacing it with a new section for commercial zoning districts. The new section delineates the boundaries of the commercial districts along a portion of Route 3A and along Route 102 in The Town of Litchfield and establishes regulations, permitted uses and special exceptions and encourages the development of commercial uses which have minimum impact on traffic flow through the use of access roads or frontage roads which minimize the number of curb cuts and access points within the zoning districts. District regulations include frontage requirements of 500 feet or 150 feet on access roads and site plan review by the Towns Planning Board. Permitted uses within the district include banks, general retail outlets, personal service and professional offices, hotel/motels and indoor theaters. Gasoline sales, automobile service and repair and fast food restaurants are permitted within the district by special exception.

BUSINESS PORTION OF TOWN MEETING
FRIDAY, MARCH 16, 1984

Time: 7:11 PM
Place: Auditorium, Griffin Memorial School
Present: Philip M. Reed, Moderator, presiding; selectmen Robinson (chairman), Jewett, and O'Brien; administrative assistant Cecile Durocher; town counsel Jay Hodes; approximately two hundred (200) voters and observers.

School Board chairman Thomas Carroll led the assembly in the Pledge of Allegiance.

Reverend Howard Hinman offered an invocation.

The moderator explained the rules of order to be followed through the course of the meeting and sought the meeting's approval for allowing non-voting residents to speak. With an "Aye" voters approved.

Results of the Town and School District elections were read and the moderator swore in all newly-elected Town officials except himself and the Treasurer. (Also deferred was the swearing in of auditors, pending the outcome of the vote on Article X.) The clerk later swore in the moderator and the treasurer.

The Meeting was opened to business under Article I.

Article I
M. Patricia Jewett MOVED to authorize the Selectmen to borrow money in anticipation of taxes. Barbara Campbell seconded the motion. There was no discussion, and the motion was carried by voice vote.

Article II
M. Patricia Jewett MOVED to authorize the selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other than town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation

and expenditure of town monies, all as provided by RSA 31:95-b. Roland Bergeron seconded the motion. There was no discussion, and the motion carried by voice vote.

Article III
James O'Brien MOVED that the Town vote to appropriate the sum of $263,000.00 for use to construct Robyn Avenue from Oak Drive to Sybil Lane and to construct Albuquerque Avenue from Stark Lane to Wren Street and to authorize a setoff of $215,00.00 against this appropriation by the use of the $46,000.00 Edward J. Roy Estate court settlement, and by withdrawals of $64,879.09 plus accurued interest from the Robyn Avenue Road Fund, $40,000.00 plus accrued interest from the Road Construction Fund, $2,200.77 plus accrued interest from the Additional Highway Subsidy Fund and the remaining balance of the $215,000.09 setoff to be withdrawn from the Highway Block Grant Aid Fund and, further, to authorize the Selectmen to raise the $48,000.00 balance of the appropriation by taxation. This proposal had been recommended by the Budget Committee. Thomas Levesque seconded the motion. Selectman O'Brien explained the article. Following discussion, the article carried by voice vote.

Article IV
Stephen Robinson MOVED that the town provide for the appointment of three alternate members to the Planning Board and the Zoning Board of Adjustment, respectively, for terms of three years, said appointments to be made by the Board of Selectmen as provided in RSA 673. John Mango seconded the motion. Selectman Robinson explained the article, and it carried by voice vote.

Article V
M. Patricia Jewett MOVED that the town raise and appropriate the sum of $2,400.00 for a contingency fund. This had been recommended by the Budget Committee. James O'Brien seconded the motion, and it carried by voice vote.

Article VI
M. Patricia Jewett MOVED to adopt an ordinance pertaining to the establishment and regulation of emergency lanes adjacent to public buildings. Thomas Levesque seconded the motion, and it carried by voice vote.
The full text of the new ordinance reads as follows:

For the purpose of promoting the health, safety and general welfare of the Town of Litchfield, and pursuant to the authority of RSA 31:39, the Town of Litchfield hereby adopts the following Ordinance establishing and regulating emergency lanes adjacent to public buildings.

Section I Emergency lanes shall be established and maintained for all places of public assembly, or any non-residential structure with a gross first floor area of over three thousand feet, or any building containing more than four dwelling units, upon a joint determination by the Fire Chief and the Police Chief that a hazardous or potentially hazardous condition exists or may exist. That upon such joint determination, emergency lanes shall be established within any private way or private parking lot which prohibits parking at all times within thirty (30) feet of the above described buildings, and that henceforth, it shall be unlawful to park any vehicle within any emergency lanes. That any vehicle unlawfully parked within any emergency lane shall be towed at the owner's expense. These provisions shall apply to both new and existing buildings and the width of the emergency lanes may be reduced by the Fire Chief and Police Chief in the event a lesser distance is all that is reasonably required or feasible for the provision of access by emergency vehicles.

Section II Within established emergency lanes prohibiting parking, the Fire Chief and the Police Chief may require the words "No Parking - Fire Lane" to be painted and maintained by the owner on the macadam of the way or lot in standard traffic safetysize letters. In conjunction with the painting, the Police Chief and Fire Chief may require the owner to install and maintain signs reading "No Parking - Fire Lane - Tow Zone" in conspicuous places. Such markings and sign installations shall be accomplished not later than sixty (60) days of written notification by the Police Chief and Fire Chief that they are required and the specifications which are to be followed.

Section III Any person, firm or corporation violating any of the provisions of this Ordinance shall be fined not more than One Thousand Dollars for each offense, and a separate offense shall be deemed committed upon each day during or on which a violation occurs or continues.

Section IV This Ordinance shall be in force and take effect immediately upon adoption.

Article VII

Stephen Robinson MOVED that the town raise and appropriate the sum of $25,000.00 to purchase a computer system and authorize the with-

drawal of the amount required for this purpose from the Federal Revenue Sharing Fund. This had been recommended by the Budget Committee. Roland Bergeron seconded the motion. Following discussion, the article was carried by voice vote.

Article VIII
M. Patricia Jewett MOVED that the town rescind Article VII of the Annual Town Meeting, March 11, 1983, whereby it was resolved to pay the following hourly pay scale for part-time employees effective April 1, 1983: $4.00 unskilled labor, $4.25 skilled and clerical labor, and $4.50 administrative and high risk labor, and to adopt in lieu thereof the following hourly pay scale for part-time employees effective April 1, 1984: $4.20 unskilled labor, $4.50 skilled and clerical labor, and $4.75 administrative and high risk labor. This had been recommended by the Budget Committee. Barbara Campbell seconded the motion. There was no discussion, and the motion was carried by voice vote.

The order of business was interrupted for a discussion of events to be held during Litchfield's two hundred fiftieth (250th) anniversary celebration in 1984, and for the display of the anniversary quilt which will be permanently displayed in the Town Hall after the year is done.

Article IX
Roland Bergeron MOVED to approve the article as written in the warrant, with the exception of Albuquerque Avenue from Pinecrest Road to Nesenkeag Drive, which should be deleted from the list because the Town never received the deed on a part of it. John Mango seconded the motion. Selectman Robinson explained further that, although the selectmen have accepted the roads on a routine basis, there has been some disagreement among legal minds as to weather roads should be accepted by selectmen or Town Meeting. As a precaution, to insure against future problems, the above roads are being approved both ways. In the future, Mr. Robinson explained, the selectmen will continue to approve roads and will, from time to time, prepare lists for the Town Meeting to approve. The motion was carried by voice vote.

The list of streets thus approved follows:

Aaron Way	Bixby Road
Acorn Way	Blue Jay Way
Arcadian Lane	Brick Yard Drive

Brook Road
Campbell Drive
Cardinal Lane
Colby Road
Courtland Avenue
Colwell Circle
Cranberry Lane
Cutler Road
Finch Court
Forest Lane
Gibson Drive
High Plain Avenue
Hildreth Drive
Ivy Way
Jeff Lane
Kemo Circle
Kokokehas Circle
Lance Avenue
Laurel Street
Louise Drive
Martin Lane
Masquah Drive
McQuesten Circle
Mike Lane
Molsom Circle
Nakomo Drive
Nathan Drive
Nasenkeag Drive
Nightingale Lane
Pakesso Circle
Parker Circle
Robert's Road
Ronisa Avenue
Sata Way
Sparrow Court
Stark Lane
Sybil Lane
Temple Drive
Underwood Drive
Whittemore Drive
Winter Circle
Wood Hawk Way
Woodburn Road
Woodland Drive

Albuquerque Avenue from Stark Lane to Cranberry Lane
Circle Drive within Town limits
Corning Road to Town line
Garden Drive from Lance Avenue to Ronisa Avenue
Mallard Court southerly to Wood Hawk Way
Oak Drive from Acorn Way to Robyn Avenue
Old Derry Road within Town limits
Page Road to Town line
Pine Avenue to Town line
Pinecrest Road to Town line
Robyn Avenue from Oak Drive to Robert's Road
Talent Road from Route 3A to Albuquerque Avenue

Article X

James O'Brien MOVED to rescind Article 19 of the Annual Town Meeting, March 12, 1982 whereby it was resolved to elect a board of three Auditors, and in lieu thereof to authorize the Selectmen to hire an auditing firm to audit the Town's financial records. This vote and author-

ization to become effective upon passage. Paul Hendrick seconded the motion. Mr. Hendrick, the only Town Auditor in office at the time of the meeting, spoke strongly in favor of the Town using a professional auditing firm, as per recommendations made by several recent Litchfield Auditing Boards. The motion carried by voice vote. Mr. Hendrick tendered his resignation, to be effective immediately.

The order of business was interrupted while outgoing Fire Chief Thomas Levesque, Sr. thanked the various boards of selectmen and budget committees serving through his seven years as Fire Chief. He commended his firemen for exemplary service, and handed his badge to newly-sworn chief Richard R. Jerry. The assembly offered a rising vote of thanks to Chief Levesque as former Police Chief David Campbell spoke about the good work Mr. Levesque has done.

The moderator declared a fifteen-minute break.

Article XI
Stephen Robinson MOVED to raise and appropriate the sum of $11,982.00 to purchase and equip one new police model cruiser. Selection and purchase of said vehicle to be the responsibility of the Board of Selectmen in their discretion, if determined to be necessary and in the best interest of the Town. Purchase of said vehicle to be by competitive bidding. In addition, to authorize the Board of Selectmen to sell one Town vehicle being replaced by the new police cruiser. Said sale to be conducted by public auction or sealed bid. This had been recommended by the Budget Committee. John Mango seconded the motion. there was a short discussion, and the article carried by voice vote.

Article XII
Roland Bergeron MOVED to raise and appropriate the sum of $10,000.00 to construct an ash holding facility and prepare an ash disposal site at the Litchfield Incinerator Facility as mandated by the State of New Hampshire Bureau of Solid Waste Management. This had been recommended by the Budget Committee. M. Patricia Jewett seconded the motion. Following brief discussion, the article carried by voice vote.

Article XIII
Willis Jewett MOVED to authorize the Planning Board to prepare and

amend a recommended program of municipal capital improvement projects projected over a period of at least six (6) years. The capital improvements program may emcompass major projects being currently undertaken or future projects to be undertaken with federal, state, county and other public funds. The sole purpose and effect of the capital improvements program shall be to aid the Budget Committee in their consideration of the annual budget, all in accordance with the provisions of RSA 674:5. Brent Lemire and James O'Brien seconded. The article carried by voice vote.

Article XIV

Stephen Robinson MOVED vote pursuant to RSA 80:92 to authorize the Board of Selectmen to sell to James Fokas three parcels of land located on Route 3A, Litchfield, New Hampshire. Said parcels formerly belonged to James Fokas and were acquired by the Town of Litchfield by Tax Collector's deed dated June 27,1983. Said parcels to be sold to James Fokas for the payment of all past and present taxes, costs, interest and administrative charges.Brent Lemire seconded. The moderator sought to determine the assembly's will concerning allowing Mr. Demetrios (aka James) Fokas, commonly know as "Mitch" Fokas to address the assembly. Mr. Fokas is a non-resident. The assembly granted him permission to speak. The moderator sought the assembly's will concerning Attorney Barry Harkaway's permission to speak as legal counsel for Mr. Fokas. The assembly granted him permission to speak. Selectman Robinson and Attorney Harkaway both offered background information in the matter. Resident John Mango offered a written amendment as follows:

> Also authorize the Board of Selectmen to sell to John R. Dame, a parcel of land located on Page Road. Said parcels belonged to John R. Dame under the same conditions as set forth in this Article.

Robert Martineau seconded the motion for the amendment. The moderator ruled the proposed amendment OUT OF ORDER as not germane to the article on the floor. Explaining that his ruling could be challenged from the floor, the moderator stated that business pertinent to the Dame property had not been included on the Warrant, and therefore should not be acted upon by this Town Meeting. The moderator asked whether anyone wished to challenge his ruling. No one spoke. The amendment was thereupon declared out of order and was not further discussed. Returning

to the main motion, there were a few questions from the floor, after which the motion carried by unanimous voice vote

Article XV
Stephen Robinson MOVED to discontinue that portion of Talent Road, beginning at a point on the easterly side of Albuquerque Avenue at the intersection of Talent Road and Albuquerque Avenue and running in a generally easterly direction to the intersection of Talent Road with Wood Hawk Way. Meaning and intending to describe that portion of Talent Road which runs across a proposed subdivision as shown on plan of land entitled "Briarwood Estates at Litchfield, New Hampshire, dated November 1983, prepared by Maynard and Paquette, Inc." Provided, however, that such discontinuance shall be effective only after the relocation of Talent Road in accordance with a plan approved by the Litchfield Planning Board. Any relocation expenses and construction costs to be borne by the developer/owner of the proposed subdivision known as Briarwood Estates. Willis Jewett seconded the motion. There was some discussion surrounding the word "discontinuance." Selectman Robinson said the word was intended exactly as stated. Following this, the motion carried by voice vote.

Article XVI
James O'Brien MOVED to raise and appropriate the sum of $35,000.00 for a feasibility use study of the Edward J. Roy Memorial Park, to repair the fire damage to the roof structure and to re-roof the existing gym building at the park, and to install fencing along the perimeter of the park. This had been recommended by the Budget Committee. Richard Lascelles seconded the motion. There was considerable discussion. David Campbell explained that when Mr. Talent built that hall for the use of the boys at his youth camp, he dedicated it to his youngest son, who had been shot down in a bombing mission during World War II. A voice vote on the motion was inconclusive, and the moderator asked for a second voice vote. This time, the affirmative votes carried.

The moderator declared a fifteen-minute break.

Article XVII
Rina Petit MOVED that the Town of Litchfield call upon the Governor and Executive Council, its State Representatives and State Senator to promptly convene a Special Session of the Legislature for the sole pur-

munications system. The budgeted request had been $95,935.00, and Mr. O'Brien MOVED to amend that figure to $111,435.00. Ellen Robinson seconded the motion. On a voice vote, the amendment carried.

Budget Committee chairman Brent Lemire announced that the new bottom-line figure needing approval now stood at $580,935.00. Following review of all departments, a vote on the $580,935.00 carried by voice vote.

Article XIX
New Business -- The moderator declared that the polls would be open for the April 17 Special N.H. Senate Election from 10:00 AM through 7:00 PM. He thanked the Budget Committee and the Selectmen for the work done preparatory to the meeting.

Fire Chief Richard Jerry announced that property owners would be able to go to the fire station any Wednesday night through 1984 between the hours of seven and nine to be given street addresses. After this year, he said, appointments would have to be made.

At 10:16 PM, David Campbell MOVED to adjourn. James O'Brien seconded. The motion carried by unanimous voice vote.

DETAIL OF THE BUDGET OF THE TOWN INCLUDING WARRANT ARTICLES

Town Officer's Salaries	$ 47,120.00

Our Town in 1984

This condensed version of Litchfield's historical events in 1984 was prepared by the Litchfield Historical Society as a precursor to the town history the society aims to publish someday. Going under the premise that today is tomorrow's history, the society plans to prepare an annual record of Litchfield's major events for each town report in hopes these reports will give a perspective on local happenings that cannot be gained solely from financial reports.

Families have special occasions and so do towns. This year, Litchfield marked the 250th year of its incorporation as a town. The town celebrated with various community events as it paused to think of its beginnings in 1734 as a primitive rural settlement along the banks of the sparkling Merrimack River.

The ceremonies that made the anniversary so special are recorded elsewhere in this report. It was a wonderful year of fun, prayer, remembrance and looking ahead to what the future has in store for Litchfield.

Circumferential Highway

Regional growth forced Litchfield to take a hard look at its own potential for development in terms of having a major highway system connecting it to booming towns in this area.

At several hearings in 1984, the circumferential highway and bridge system proposed by the state Department of Public Works and Highways received mixed reviews from townspeople.

There were some who felt the proposal would lead to enhanced development opportunities for Litchfield, particularly in the commercial/industrial realm. Others feared connecting the town's road system to the proposed highway and bridge crossing — a direct link to rapidly developing Hudson and Merrimack — would bring unbridled growth that would doom Litchfield's rural environment and overwhelm its economic resources.

From several possible corridors, the state narrowed down its choice to a pathway that would place the Merrimack River bridge crossing in the vicinity of the Hudson-Litchfield line.

At year's end, the discussion centered on whether the proposed four-lane highway should have a direct exit on Route 3A and how Albuquerque Avenue, the town's alternate north-south route, would tie into the planned highway and the envisioned industrial park off Route 102 and Cutler Road.

Final decisions on these issues are due in 1985 — a year that may be the most pivotal in Litchfield's history.

A Tragic Fire

Fire claimed a victim in 1984, a loss that shocked the community. The fire awoke the Dufault family on Talent Road at about 3 a.m. on April 4. Mrs. Therese Dufault, 51, was fatally overcome by smoke inside her house after seeing to it that her two teenage sons and a boarder safely got out, neighbors reported.

Firefighters arriving on the scene tried to enter the building to save Mrs. Dufault but roaring flames kept them out.

The wood-frame house and virtually all of its contents were destroyed, with nothing but a partial shell remaining by sunrise.

The state fire marshal's office labeled the fire accidental and said it apparently stemmed from a power outage earlier in the evening. The outage, attributed to a pole transformer failure in Merrimack, lasted from 10:25 p.m. to 11:20 p.m.

Someone was apparently cooking on the stove in the Dufault home when the power went out and the burner was left on when the family went to bed, according to the fire marshal. He further theorized that when the power returned, the burner continued to heat, burning the food until it caught fire which spread to nearby wooden cabinets.

Mrs. Dufault operated the Litchfield Drive-In theater which was situated next to her home. Others members of her family took over the operation after her tragic death.

The Deluge

Everyone talks about the weather but in 1984 unusually heavy spring rains gave plenty to talk about.

Rain deluged the area during the last week of May and the first few days of June. While no serious flooding was reported in town, sump pumps labored under the seemingly endless rain and many brooks and ponds spilled over their banks.

The May and June rainfall, some 9 inches of it, combined with cold weather delayed the planting season and seriously stunted some of the crops the farmers had managed to get in early.

Major Subdivision

Housing construction, after a recession-caused slump for the past few years, picked up in 1984 with approval of the Sawmill Brook Estates subdivision in the town's northerly section.

Presented as a five-phase project, the subdivision is projected to eventually contain about 250 houses.

The project received Planning Board approval but not before residents in an abutting subdivision made known their objections to access road plans at several hearings, forcing some changes in the original proposal.

Landmark Losses

Two old houses suffered an unkind fate in the past year. One, the old Fuller house on Route 102, was razed by the fire department to make way for industrial development. The other, the Campbell house on Route 3-A, was heavily damaged by fire believed to be have been set.

The fire department destroyed the Route 102 structure at the request of Sanders Associates Inc. which has erected a test facility on land in back of the house.

The house was once owned by John L. Senter. His grandson, John Senter of Nashua, says his family believes the structure dated back to the late 1700s. The grandson related his grandfather married into the Hills family and the house was part of "Hills Row," a string of houses along Derry Road once owned by various members of the large Hills family. A description of "Hills Row" is given in Hudson's town history. More recently the house was owned by George and Virginia Fuller. The fire department burned the house and a detached barn as part of several fire training exercises.

Arson is suspected as the cause of the blaze that extensively damaged the Campbell homestead at Broadview Farm on March 3. Passersby spotted the blaze at about 1:30 a.m.

The old farmhouse, where both David and Arnold Campbell were born, featured a stained glass fanlight at the front entrance, finely detailed woodwork throughout, immense chimneys and an enormous attic. Firefighters, working in sub-freezing weather, were able to keep the flames from the kitchen and carriage ell, but the main portion of the house was burned from the cellar clear through the roof. Unaffected were the detached barn and silo.

The Route 3-A house had been vacant since the death in 1969 of Bertha Campbell, mother of the Campbell brothers.

The white-clapboard, colonial style house was built in 1813 for Deacon Chase, who added the ell in the 1830s. The Campbell family, which had originally settled on Talent Road, bought the house in the late 1800s and it has remained in the family since then.

When 1984 came to an end, the burned-out house remained boarded up, a reminder of the heartless vandalism that ruined the elegant old farmhouse.

Pollution Threats

Litchfield's water resources came to attention in a decidedly unfavorable way. A town-sponsored engineering study in 1983 brought out what everyone had feared — the possibility that Litchfield's aquifer in the Chase Brook area could be polluted by leachate flowing from Hudson's landfill.

More followup studies are under way and the issue should become a prime topic in 1985.

While the landfill issue turned Litchfield's attention to its easterly boundary, the chemical waste recycling plant proposed by Applied Chemical Technology in Merrimack caused concern for the future of Merrimack River waters on the town's westerly edge.

Litchfield residents in the neighborhood across from the proposed plant signaled their opposition early with a petition presented to the Merrimack Planning Board in 1981. Since then, the Merrimack authorities and Applied Chemical Technology have been joined in legal battles, with the state Supreme Court issuing its decision on a key point in 1984.

The firm's principals have obtained a preliminary draft permit from state authorities and Litchfield plans to join Merrimack officials at hearings planned for January 1985 to oppose granting of a final permit.

Digging Up Past

Archaeologist Virginia Kenyon returned to Litchfield during the summer months to conduct another "dig" for Indian artifacts. The site was near the Merrimack River on land in the northerly end of Litchfield.

The group reported finding pottery fragments, opal-like jasper used for tools and what is believed to have been a prehistoric cooking oven.

The project was undertaken with the assitance of Plymouth State College, the New Hampshire Historical Society and the New Hampshire Historical Preservation Office.

Last year, Ms. Kenyon and volunteers conducted an Indian dig along the river at Broadview Farm and found Indian artifacts there.

Litchfield Celebrates Its 250th Anniversary 1734—1984

Litchfield In Its 250th Year

By Diane Jerry
Chairman
Celebration 250 Committee

It had been my hope that the committee would have disbanded prior to this writing, so that this could be my final report as chairman. Because of several uncompleted projects, however, it will be necessary to wait another few months before closing out our books. A final report will appear in next year's Annual Report.

The pictorial section included in this book speaks eloquently of the Litchfield citizens' enjoyment of our town's 250th birthday celebration. What it can't show is the combined effort of numerous Litchfield groups and individuals which made our activities such a great success. From the kickoff event — the Firemen's Ball — through the culminating July 4 barbecue on the Town Hall lawn, there wasn't an event that didn't do Litchfield proud.

The committee is especially thankful to Gov. John Sununu for twice joining our anniversary celebrations — in honoring our former fire chiefs at the April 28 Firemen's Ball and for leading the 250th parade on July 1.

We are also indebted to Londonderry's Fire Chief David "Smokey the Bear" Hicks for helping us to blow out the 250 candles on our birthday cake at the Firemen's Ball and to the fire department for a super evening at which the Celebration 250 Committee's only responsibility was providing the cake.

More than 300 persons toured five Litchfield houses and one barn during the year's second 250th event — the May 6 house tour.

Our thanks are extended to:

— Roz Calawa who provided tour buses for the tour of historic sites and who refused to accept any payment for this service;

— James and Cathie Blombach, Allan and Nadine Larrabee, Stephen and Ellen Robinson, Tom and Trudy Chamberlin, and Paul and Nancy Hendrick, who graciously opened their homes for public touring;

— Members of the League of Women Voters who served as hostesses;

— Veterans of Foreign Wars who assisted tourists in parking their cars;

— Committee member Richard Jerry who spent all day operating an antique machine shop in his barn;

- Ex-resident Erdine MacDougall and Committee member Florence Leary who acted as historical guides on the buses;

— Committee members Claudette and Cecile Durocher who were up at the crack of dawn erecting the colorful signs which made the tour homes easy to identify;

— Mother Nature for coaxing the town's first tulips and daffodils to bloom on this warm, sunny spring day!

The Memorial Day Parade and Service organized by the Veterans of Foreign Wars with the assistance of Committee Member Wayne Michaud were brief and dignified, with State Sen. Rhona Charbonneau as the speaker.

As for the 250th Fair held June 29, 30 and July 1, nearly everyone in town participated in one way or another. To everyone, the committee says: Many, many thanks.

Special recognition belongs to committee members Elaine Vaillancourt and Cecile Durocher, who goaded the rest of the committee until we agreed to have a fireworks display, and to resident William Abbott who was the overall fireworks coordinator. Without the financial assistance of a number of businesses in town there would have been no fireworks. What an impressive show it was!

Committee member John Shea did a remarkable job of organizing more than 30 units into a parade led by a 19th century stagecoach with Gov. Sununu perched on top beside the driver. A videotape was made of the entire parade, with volunteer Peter Rodonis operating the camera.

Weekend highlights are shown in this photo section and are listed in the memorable keepsake program booklet put out by the committee prior to the 250th Fair. Most of the credit for that advertising/souvenir booklet belongs to committee members Pat Jewett and Carol Powers.

The committee discovered a generous reservoir of goodwill in the business community. The advertisers in the souvenir booklet graciously supported fair activities through their donations. Businessmen and other townspeople lent us equipment and many offered a helping hand and kind words of support that made our responsibilities seem lighter. Town officials smoothed over some troublesome obstacles and gave us direction in avoiding others.

And, the committee's worries about parking were considerably eased by William McElwain, who allowed the committee use of part of his farm for the horsepull and for parking, and by Ronald Mason who allowed parking on his land.

George Bailey, Robert Goddard Jr. and Roland Bergeron were instrumental in putting up signs at the fair grounds. Firefighter Brian Barton coordinated the Fire Department's muster events and the many citizens who submitted entries in our craft exhibit made the event one of the most popular of the fair.

Truly indispensable during the fair was school custodian Ken Hedderig who worked to make our three-day stay at the school as problem-free as possible. Teachers and children at the Griffin Memorial School labored on special projects: a historical calendar, preparation of special features for local newspapers and design of a commemorative banner that now hangs in the school.

Police officers Dougls McGowan and James Toland volunteered their time to secure the fair grounds overnight, assuring committee members and exhibitors that no harm would come to booths and equipment during the two nights of their unpaid watch.

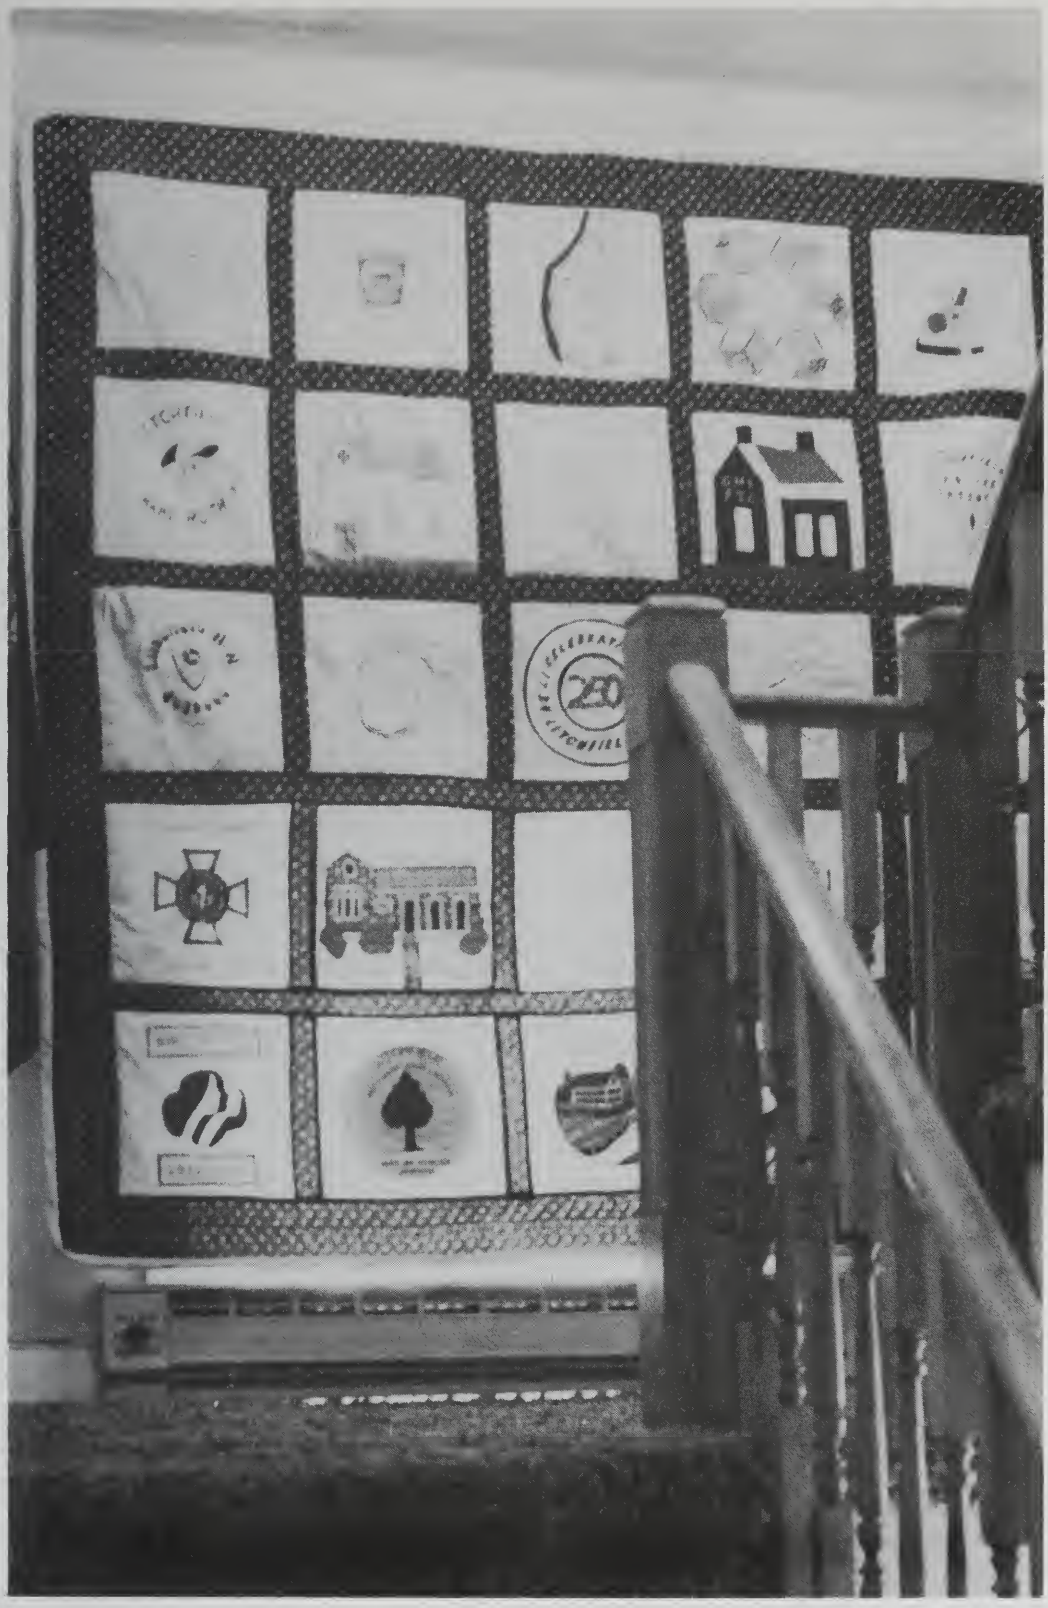
Perhaps the most touching moment of the anniversary celebrations was, appropriately, July 4. Pastor Howard Hinman of Litchfield's Presbyterian Church and the Rev. John Horan, pastor of St. Francis of Assisi Church, conducted an ecumenical service in the Litchfield church which managed, in its brief simplicity, to make us humbly proud of our heritage.

Afterward, committee members and guests asssembled under colorful tents on the Town Hall lawn where we paid tribute to some of our local "treasures," senior citizens Virginia Bilodeau, George Colby Sr., Clara Hill, Harmon Leach, and Arthur "Cap" Morrill. Taofila Lapin, who was in poor health, was unable to attend this gathering of residents who are over 85 years old and have spent at least 60 years of their lives in this town. (Mr. Leach and Mrs. Bilodeau were born here.)

A big "thank you" is owed to Litchfield native Candace Hale who researched, organized, invited, and saw to the transportation needs of these wonderful people, and who conducted the ceremony honoring them.

Thanks also to Stephen Robinson, chairman of the Board of Selectmen who was master of ceremonies, and to State Sen. Charbonneau who presented the honored guests with proclamations and flowers.

This has been a great committee to chair, due in no small measure to the dedication of the members who spent more than two years meeting, arguing, raising funds, making decisions, agonizing over decisions, rescinding decisions, writing letters, making telephone calls, encouraging the chairman, and working, working, working! Where did all that energy come from? Committee members Margaret Shea and Elaine Vaillancourt made everybody promise not to stick their picture on the front of the Annual Report again this year, so instead I will end this report by thanking them for taking on the massive project of the Anniversary Quilt. Each square is beautiful. Together, they are truly a piece of our town history.



Town Quilt

250th Anniversary Quilt

Litchfield's commemorative quilt was a combined effort of the "Celebration 250" Committee and other town organizations. Margaret "Peggy" Shea and Elaine Vallancourt ably chaired the project.

Each organization was asked to quilt a square that would reflect some aspect of Litchfield's history, rural character or something pertinent to the character of the group.

The quilt is an art work that will be of permanent historical value to the Town of Litchfield. This beautiful quilt will be encased in glass and mounted on a wall at the Town Hall for all to enjoy.

Contributing to the quilt were:

Jaycee Women - Carol Gilbert

Fire Department - Margaret Shea

Griffin Memorial School teachers - Doris Roach & Carol Smiglin

Babe Ruth - Jack & Sheryl Scheiner

Litchfield Community Church - Rev. & Mrs. Hinman

Parent-Teacher Organization - Lucille Ducharme

Jaycees - Carol Powers

"250" Square - Patti Champagne

Budget Committee - Margaret Shea

Veterans of Foreign Wars - Jane Michaud

Litchfield Public Library - Shirley O'Meara

League of Women Voters - Margaret Shea

Litchfield Swingers - Lucienne Leafe

Girl Scouts - Elizabeth Childs

Parks-Recreation Commission - Jack & Sheryl Scheiner

Historical Society - Beulah "Midge" Bean

Senior Citizens - Judith Geer

Conservation Commission - Nancy Hendrick & Florence Leary

Griffin Memorial School Class of '84 - Heidi Hale

Planning Board - Margaret Shea

Corn, Pumpkin, Squash, Strawberries - Margaret Shea

Police Association - Marcella Nugent

Firefighter's Ball

Firefighter's Ball
Saturday, April 28
Griffin Memorial School
6:30—Midnight

Reception for former fire chiefs, with presentation of plaques by Gov. John Sununu.
Dancing, with music by Family Portrait.
Recognition of 50th anniversary of Smokey the Bear.
Blowing out the candles on Litchfield's 250th birthday cake to kickoff the town's anniversary year.
Serving of catered hors d'oeuvres and other refreshments.

Preceeding Page: Diane Jerry, Celebration 250 Committee Chairman, greets Gov. John Sununu to the kickoff of Litchfield's special year.

Capt. Brent Lemire, president of the Litchfield Firefighters Association, welcomes Gov. Sununu to the reception for former fire chiefs.

Honored at a pre-dance plaque presentation and reception were the town's former fire chiefs. From left, Fire Chief, Richard Jerry; his father, Robert Jerry who served as fire chief from 1949-1959; Lawrence W. Olson Sr., 1971-1974; his son-in-law, Ronald E. Mason, 1974-1976; and Thomas Levesque Sr., 1976-1984. Not shown are former fire chiefs Leon C. Calawa Jr., 1959-1966, and Arthur Burgess, 1966-1971. The town's first fire chief, J. Wesley French, 1946-1949, was honored posthumously.

Firefighter John Shea and Firefighter/EMT Suzanne Sullivan chuckle at the big hug given by Londonderry Fire Chief David Hicks, alias "Smokey the Bear."

Firefighter James Sullivan and Selectman M. Patricia Jewett light up Litchfield's 250th birthday cake.

House Tour

HOUSE TOUR
Sunday, May 6
12-4 PM

Five Litchfield houses—one dating to the Town's early history and another so new its construction was still under way—were opened to public viewing as part of 250th anniversary celebrations.

About 300 persons turned out on the sunny spring afternoon to take part in the house tour. Also opened to public viewing was the barn owned by Mr. & Mrs. Richard Jerry. Admirers of antique equipment enjoyed the old-time machine shop housed in the barn.

Other structures opened for visitation were the Litchfield Community Church and the Litchfield Public Library.

The most historic house on the schedule was the Dutch-gambrel farmhouse believed to be Litchfield's oldest house. The 1766 house, pictured on the preceeding page, was the home of Mr. & Mrs. James Blombach at the time of the tour and has since been sold to Manuel and Martha Alves.

Other structures on the viewing list included two traditional white clapboard classics, that of Selectman and Mrs. Stephen Robinson and that of Dr. and Mrs. Thomas Chamberlin; the solar home of Mr. and Mrs. Paul Hendrick; and the contemporary house of Mr. and Mrs. Allan Larrabee which was still in the late construction stages.

Bus tours of the town's memorable sites provided another attraction. Refreshments at the Town Hall were served from a table with a silver and crystal motif. Exhibited in the foyer were photos of the Town Hall taken before its renovation in 1974 and the newly completed Town Quilt.

Pastel green and yellow paper streamers fluttered from the numbered posts along Route 3-A marking each structure on the tour. It was the first such tour undertaken by the town since it celebrated its 200th anniversary in 1934 and it will be long remembered as one of the most delightful memories of a wonderful year.

Chamberlin House

Larrabee House

Hendrick House

Robinson House

Jerry Barn

Dr. Thomas Chamberlin, standing at right, and Mrs. Chamberlin, seated, discuss their house's history with visitors gathered in the kitchen.

Memorial Day

Memorial Day

Sunday, May 27

9:30	Veterans of Foreign Wars place flowers at graves of Veterans in Litchfield's three cemeteries.
11:00	Departure of parade from Griffin Memorial School for Town Hall green.
11:15	Tossing of wreath on Merrimack River.
11:30	Ceremonies at Town Hall. Invocation by the Rev. Howard Hinman Pastor, Litchfield Community Church. Laying of wreath at Veterans Memorial. Address by State Sen. Rhona Charbonneau. Songs by Girl Scouts. Presentation of flag to town officals. Gun Volley by VFW. Taps.
12:00	Refreshments in basement of Litchfield Community Church.

Preceeding page: VFW member Francis Descoteaux places wreath at Veterans Memorial under the watch of young scouts.

Veterans of Foreign Wars lead parade from Griffin Memorial School.

State Sen. Rhona Charbonneau, R-Hudson, gives address.

VFW Commander, William Morris presents flag to Board of Selectmen Chairman, Stephen Robinson.

250th ANNIVERSARY FAIR

PROGRAM — 250th ANNIVERSARY

Fair grounds are located on Route 3A adjacent to Griffin Memorial School. All events will be held at Fair grounds unless otherwise noted.

FRIDAY, June 29, 1984

8:00 am - 5:00 pm	- Crafts to be submitted for judging
4:30 pm - 7:30 pm	- Chicken Bar-B-Que
5:00 pm - 6:00 pm	- Judging of Crafts
8:00 pm - 9:30 pm	- Show Stoppers Concert

SATURDAY, June 30, 1984

9:30 am - 10:00 am	- Registration for Baby Contest
10:00 am	- Judging of Baby Contest
10:00 am	- Pet Show
11:00 am	- Recreation Commission Field Day
11:30 am	- Willie Whistle
11:30 am	- Baby Doll Contest
12:00 pm - 3:30 pm	- Superstars
2:00 pm - 4:00 pm	- Ronald McDonald
6:00 pm	- Judging of Pie Contest
8:00 pm	- Cloggers Demonstration Square Dance Demonstration
9:00 pm	- FIREWORKS

SUNDAY, July 1, 1984

8:00 am - 10:30 pm	- VFW Pancake Breakfast
11:30 am	- **Parade
12:00 pm	- Firemen's Muster
12:30 pm	- Ceremonies at Reviewing Stand Performance by Suburbanettes
2:00 pm	- Horsepull
3:30 pm	- Balloon Launch

°°Parade begins at Hillcrest Road; marchers join parade at McQuesten Farm; parade ends at Griffin Memorial School.

For the duration of the fair: a Flea Market area, a craft area, amusement rides and numerous displays inside the school.

Estimated attendance: 8,000

Fair goers take a look at crafts on display.

Magnificent horse team kicks up dust in horsepull organized by Ray Smart of Chester.

Willie Whistle clowns his way through fair.

Ronald McDonald's act charms children and adults.

Winners in the popular Baby Contest are all squirms as they are presented by the judges, Kathy Flammia, Polly Cooper and Brad Trafton, all from the March of Dimes. The special Litchfield babies are, from left, Baby Litchfield, Mark Mirlocca II, son of Mr. and Mrs. Mark Mirlocca; Miss Litchfield, Stefanie Sparks, daughter of Dr. and Mrs. J. Michael Sparks; and Master Litchfield, James Love, son of Mr. and Mrs. Edward Love.

At the Jaycees' dunking booth—a throw and a splash.

Historical Society's commemorative charm - a sellout.

Fireworks—oohs and aahs from vast crowd at fair grounds.

PARADE PARTICAPANTS

Police Cruiser - Chief John Simmons, Selectmen Stephen Robinson, James O'Brien
19th Century Stagecoach - Sponsored by Litchfield Historical Society, with Gov. John Sununu riding atop the coach. Passengers inside coach: Diane Jerry, Celebration 250 Committee Chairman; Selectman M. Patricia Jewett, Celebration 250 member; and Claudette Durocher, Celebration 250 Committee vice-chairman and president of Historical Society.
Veterans of Foreign Wars Litchfield Post 978 Color Guard
39th Army Band, New Hampshire National Guard
U.S. Rep. Gordon Humphrey, R-N.H.
U.S. Rep. Judd Gregg, R-N.H.
Executive Councilor Louis Georgopoulos, R-Manchester
State Sen. Rhona Charbonneau, R-Hudson
State Rep. Nancy Hendrick, D-Litchfield
State Rep. Ellen Robinson, R-Litchfield/Merrimack
State Rep. Chris Spirou, D-Manchester, House Minority Leader
Litchfield Democratic Committee
1st New Hampshire Regiment, Norwood H. Keeney, Jr., commander
Griffin Memorial School 250th Anniversary Banner, carried by Kraig Morris and James Robinson
Litchfield Jaycee Women Float - Santa, Mrs. Claus & Elves
New Hampshire Wheelmen - Antique and vintage bicycles
1928 Ford Model "A" Truck - Ronald A. Bouchard Construction Co.
1941 Plymouth - Mike McCarthy
1946 Ford Coupe - Eddie Dalton
1966 Mustang Convertible - Harry Piper
Antique Truck - Darrell Wagner
Litchfield Swingers Float - Dancers and music
VFW Post 978 Auxiliary Color Guard
Suburbanettes Drum & Bugle Corps
Naticook Farm Float - Tepee and Indian garden scene
Litchfield Girl Scouts Float
Benson's Animal Park, Hudson - Benny Benson, Horseriders Tina Mason and friend, Humpty Dumpty
Litchfield Community Church Float - Early church scene, with children depicting preacher and congregation
McQuesten Farm Float - Depicting farm products
Suburbanettes Drum & Bugle Corps
Litchfield Babe Ruth and Little Leagues in uniform
Litchfield Soccer League in uniform
Litchfield Superstars
Antique Mack truck - Claude Charbonneau
Cavalcade of fire engines - Bedford, Hudson, Milford, Merrimack, Chester, Hooksett, Mont Vernon, Litchfield

Gov. John Sununu leads parade atop stagecoach.

First N.H. Regiment gives colonial touch to parade.

Girl Scouts' float — one of many floats in parade.

Dignitaries watch parade from reviewing stand.

Old but shiny trailer tractor heralds cavalcade of fire engines from area communities. Many of the firefighters also participated in firemen's muster.

Hudson firefighter Shawn Jasper passes the bucket at firemen's muster.

Townspeople and visitors chat at the picnic on the Town Hall lawn.

What Is Litchfield?

(This essay, written by 250th Committee member Claudette Durocher, was read by committee member Suzanne Sullivan as the opening address for Litchfield's three-day celebration in June. By request, it was also read at the Fourth of July picnic celebration.)

On Litchfield's 250th birthday, let's think for a few minutes what life must have been like in the town's earliest days.

There was no Route 3-A, nor any other road. The first big job was to open up a passable right-of-way for horses and wagons.

Housing was scarce but lumber was everywhere. Trees broad enough to be marked with the king's arrow were plentiful. Still, many of the early houses were small and primitive.

As a Litchfield citizen in 1737, you would have been invited to build the town meeting house on the bank of the shining Merrimack, then feast afterward. And with the public raise of the meeting house, a committee would go in search of a minister to preach the gospel in the new town.

Fences were hard to come by, so animals roamed. Instead of dog officers, there were cattle and hog reeves to bring the wandering animals to the town pound.

The town constable kept the peace, but with so few inhabitants there was hardly any crime to worry about.

Life was hard. Farming was the way of life, with a little bit of commerce on the side. The day's work began at dawn and ended with the setting sun. Reading was by feeble candlelight, but books were few and not all of Litchfield's first citizens could read.

Winters meant working in cold barns, and then huddling by the fireplace in a drafty house to warm up.

So many other things had to be set up in the first years of Litchfield's existence — a school, a cemetery, more roads, grist mills, lumber mills, but money was hard to come by in the rural economy.

Yet the pioneers who took their chances by moving to the edge of the wilderness in 1734 made it, and left their children a better place in which to live.

As the generations succeeded each other, the town grew more populous and secure of its future. It survived economic bad times, political upheavals, and natural disasters. It celebrated its successes, and grieved over men lost in wars at home and away.

Two centuries and a half later, Litchfield remains a special place.

Litchfield is farmers splitting the earth in the spring with shiny plows, and the green and gold growing season that follows.
It's Little League games on warm evenings,
...big yellow buses dropping off children at the school,
...selectmen's meetings on Monday night,
...bright picture books in the library,
...gossiping at the dump,
...sipping coffee at Ma's on a cold day,
...and river fog closing in on your car when you're headed home from a late night at work.

Litchfield is a lot of space in the backyard,
...strawberry picking on a perfect day in June,
...long walks in the woods,
...sledding down deserted hills,
...old houses with white clapboards and dark shutters,
...brooks that roar in the spring,
...and a fat harvest moon rising over dried cornstalks in the fall.

Litchfield is old families easing into new ways, and new families searching out the old ways;
It's the sparkle of new snow on bent trees,
...the rumble of the snow plow late in the night,
...frost heaves on spring roads,
...town meeting in muddy March,
...veterans and children marching in the Memorial Day parade,
...fairs on the school grounds,
...finding arrowheads by the river,
...and praying in a pretty white church with stained glass windows.

Litchfield is people coming together — to laugh, to help, to mourn, to celebrate — and simply to enjoy each other's fellowship.

Litchfield is home, it's us — Happy Birthday, Litchfield!

LITCHFIELD
SCHOOL DISTRICT WARRANT
March 1, 1985

To the inhabitants of the School District in the Town of Litchfield, New Hampshire, qualified to vote in District affairs.

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID DISTRICT ON THE 1st DAY OF MARCH, 1985 AT 7:00 PM TO ACT UPON THE FOLLOWING SUBJECTS:

ARTICLE I

To see if the District will raise and appropriate the sum of $626,222.00 to fund all cost items relating to teachers' salaries and benefits for the 1985-86 school fiscal year, $53,972.00 of such sum representing the cost of those additional salaries and benefits offered to teachers by the School Board in bargaining sessions. (Recommended by the Budget Committee)

ARTICLE II

To see if the District will raise and appropriate the sum of $17,781.00 for the purpose of replacing the windows in Rooms 8, 9 and10, located in the 1950's section of the building. (Recommended by the Budget Committee)

ARTICLE III

To see if the District will raise and appropriate the sum of $15,000.00 for the purpose of replacing and/or repairing two defective sewage tanks. (Not recommended by the Budget Committee)

ARTICLE IV

To see if the District will raise and appropriate the sum of $19,500.00 for the purpose of purchasing a new bus for transporting handicapped students. (Recommended by the Budget Committee)

ARTICLE V

To see what sum of money the District will vote to raise and appropriate for the support of schools for the payment of the statutory obligations of the District, and for the payment of salaries and benefits for school district officials and agents other than additional salaries and benefits negotiated between the Litchfield School District and the Litchfield Education Association.

ARTICLE VI

To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, Federal or other governmental unit or a private source which becomes available during the 1985-86 school fiscal year provided that such expenditure be made for the purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

ARTICLE VII

To hear the reports of Agents, Committee or Officers chosen, and pass any vote relating thereto.

ARTICLE VIII

To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID LITCHFIELD ON THIS 5th DAY OF FEBRUARY, 1985.

Accountant's Report on Financial Presentation

To the Members of the School Board
Litchfield School District
Litchfield, New Hampshire

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Litchfield School District as of and for the year ended June 30, 1984, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Litchfield School District at June 30, 1984 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining, individual fund and account group financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Litchfield School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

Accountant's Report on Compliance

To the Members of the School Board
Litchfield School District
Litchfield, New Hampshire

We have examined the combined financial statements of the Litchfield School District as of and for the year ended June 30, 1984, and have issued our report thereon dated September 2, 1984. Our examination was made in accordance with generally accepted auditing standards, the provisions of "Standards for Audit of Governmental Organizations, Programs, Activities and Functions", promulgated by the Comptroller General, which pertain to financial and compliance audits; the Office of Management and Budget's "Major Compliance Features of Programs Administered by State and Local Governments" (the approved compliance supplement); and, except as described in the following paragraphs, provisions of Office of Management and Budget (OMB) Circular A-102, "Uniform Administrative Requirements for Grants-In-Aid to State and Local Governments", Attachment P, "Audit Requirements" and the Guidelines for Financial and Compliance Audits of Federally Assisted Programs (Guidelines), and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The reporting objectives for the compliance audits contained in the Guidelines suggest an examination of all transactions for compliance purposes, as opposed to the selective testing required by Attachment P; therefore, we have followed the reporting objectives of Attachment P. In addition, the Guidelines do not provide sufficient guidance for determining the representative number of charges to be examined and performing the procedures to ascertain compliance. Accordingly, we utilized other materials as supplements in those areas.

Attachment P requires that the examination include a determination of whether the Federal financial reports (including financial status reports, cash reports, and claims for advances and reimbursements) prepared by the Litchfield School District contain accurate and reliable financial data. We have been informed that OMB interprets the phrase "accurate and reliable financial data" to mean that the Federal financial reports present the

underlying financial data of the grants within limits that are reasonable and practicable to attain under the circumstances.

In our opinion, except for the matters that might have come to our attention had our examination encompassed the provisions of the Guidelines referred to in the second preceding paragraph for the tested operations and records, and except for the enclosed item, the Litchfield School District complied with the material terms and conditions of its Federal grants, contracts and agreements, and the tested Federal financial reports present the underlying financial data of the grants within the limits described in the preceding paragraph.

Further, based upon our examination and the procedures referred to above and except for the matters that might have come to our attention had our examination encompassed the provisions of the Guidelines referred to in the second preceding paragraph, and except for the enclosed item, nothing came to our attention to indicate that the Litchfield School District had not complied with the compliance matters referred to above, and the Federal financial reports do not present the underlying financial data of the grants within the limits described in the preceding paragraph.

FOOD SERVICE FUND-EXCESS CASH RESOURCES

Our review of the Food Service Fund disclosed that the School District has net cash resources on hand at June 30, 1984, in excess of three months average expenditures, contrary to the National School Lunch Program regulations and without approval of the State Agency. The amount is computed as follows.

Net Cash Resources	$24,786
Three Months Avg. Expenditures	21,807
Excess Net Cash Resources	$ 2,979

If such resources exceed three months average expenditures, the State may require the School District to 1) reduce the children's prices, 2) improve meal quality or 3) take some other action designed to improve the food service. If the State does not choose one of these options, then it must adjust the reimbursement rates for the Food Service Fund.

The District should contact the State Agency to seek approval for corrective action to be taken.

This report is intended solely for the use of the Litchfield School District and the cognizant audit agency and should not be used for any other purpose.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 1984

NOTE 1 — Summary of Significant Accounting Policies

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Fund Accounting

The accounts of the School District are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the School District.

GOVERNMENTAL FUNDS

GENERAL FUND - The general fund is the general operating fund of the School District. All general tax revenues and other reciepts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

SPECIAL REVENUE FUNDS - Special revenue funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are Food Service and Federal Projects funds.

CAPITAL PROJECTS FUND - Transactions related to resources obtained and used for the acquisition, construction or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds and from federal and state grants.

FIDUCIARY FUNDS

AGENCY FUNDS - Agency Funds are used to account for the assets held as an agent by the School District for others. The Student Activities Funds are shown in this fund type.

B. Account Groups (Fixed Assets and Long-Term Liabilities)

All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the School District does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group. This account group is not a fund. It is concerned only with the measurement of financial position and not results of operations. Since they do not affect net current assets, such long-term liabilities are not recognized as governmental fund type liabilities. They are instead reported as liabilities in the General Long-Term Debt Account Group.

C. Basis of Accounting

The accounts of the General, Special Revenue and Capital Projects Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from reciept of goods and services, when assessments are made by the State or in the case of judgments and claims against the School District, when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principle and interest on general long-term debt which is recognized when due. All Agency funds are accounted for using the accrual basis of accounting.

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal intergrated budgetary accounting system in accordance with various legal requirements which govern the School Districts' operations. However, the District does not budget for the food service fund in its entirety. Only the Federal portion of revenues and expenses are budgeted. State Statutes require balanced budgets and the use of beginning general fund unreserved fund balance to reduce the District Assessment. In 1983-84, the beginning fund balance was applied as follows:

Unreserved fund balance used to reduce District Assessment	$43,134

E. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year-end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are, therefore, reported as part of the fund balance at June 30 and are carried foward to supplement appropriations of the subsequent year. The reserve for encumbrances at June 30 consists of the following:

General Fund	
Instructional Staff Services	$1,045

F. Inventories

Inventory in the General and Special Revenue funds consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

G. Accumulated Unpaid Vacation and Sick Pay

Accumulated unpaid vacation and sick pay is not accrued in the governmental funds using the modified accrual basis of accounting. Employees may accumulate up to one hundred twenty-five days sick leave at a rate of twelve days per year. Vacation is granted in varying amounts based on length of service for employees other than teachers. Vacation pay accumulation does not exceed a normal year's allowance. Estimated value of sick leave is $129,118.

H. Interfund Transactions

During the course of normal operations the School District has transactions between funds. The accompanying governmental fund financial statements reflect such transactions as transfers.

I. Interfund Receivable and Payable Balances

Individual fund interfund receivable and payable balances at June 30, 1984, were as follows:

Fund	Interfund Receivables	Interfund Receivables
General Fund	$3,188	$
Special Revenue Funds		
Food Service Fund		1,646
Federal Projects Fund		1,043
Capital Projects Fund		499
Total	$3,188	$3,188

NOTE 2 — Changes in Long-Term Debt

The folling is a summary of long-term debt transactions of the School District for the fiscal year ended June 30, 1984.

	General Obligation Debt
Long-term Debt Payable 07/01/83	$670,000
New Long-term Debt Issued	130,000
Long-term Debt Retired	(130,000)
Long-term Debt Payable 06/30/84	$670,000

Long-term debt payable at June 30, 1984 comprised of the following individual issues:

General Obligation Debt

$130,000 1984 Griffin Memorial Addition Bonds due in annual installments of $45,-000 through July 1, 1985 and $40,000 through July 1, 1986; interest at a variable rate between 5.70% and 6.70%	$130,000
$230,000 1972 Elementary School Addition Bonds (State Guaranteed) due in annual installments of $15,000 through April 1, 1986 and $10,000 through April 1, 1988; interest at 4.50%	$ 50,000

$80,000 1972 Elementary School Addition Bonds due in annual installments of $5,000 through April 1, 1988; interest at 5.20%	$ 20,000
$285,000 1977 Griffin Memorial Addition Bonds due in annual installments of $25,000 through November 1, 1986 and $20,000 through November 1, 1989;interest at 4.90%	$135,000
$845,000 1977 Griffin Memorial Addition Bonds (State Guaranteed) due in annual installments of $85,000 through November 1, 1986 and $80,000 through November 1, 1987; interest at 4.40%	$335,000
Total	$670,000

The annual requirements to amortize all debt outstanding as of June 30, 1984, including interest payments, are as follows:

Annual Requirements to Amortize Long-Term Debt

Fiscal Year Ending	General Obligation Debt		
June 30	Principle	Interest	Total
1985	$175,000	$ 28,915	$203,915
1986	175,000	20,338	195,338
1987	165,000	11,702	176,702
1988	115,000	4,920	119,920
1989	20,000	1,470	21,470
1990	20,000	490	20,490
Total	$670,000	$ 67,835	$737,835

All debt is general obligation debt of the School District, which is backed by its full faith and credit.

NOTE 3 — Pension Plan

The teachers and employees are covered under the State of New Hampshire Retirement System. The District's contribution for normal cost of the plan is based upon actuarial valuation of the entire State plan. Since the actuarial valuation is performed on the entire State plan the amount, if any, of the excess of vested benefits over pension fund assets for the Litchfield School District is not available. The District does not have an accrued liability for past service costs. The retirement cost for 1983-84 was $4,927.

REPORT OF THE SUPERINTENDENT

To the School Board and Citizens of Litchfield:

The following paragraphs constitute my annual report as Superintendent of Schools.

While submitting this report I will attempt to review the highlights of the past year, particularly our annual goals and objectives, as well as to look toward the critical issues of the current year.

A major goal over the past several years has been "to monitor and investigate alternatives to accommodate future growth both for grades 1-8 as well as for grades 9-12". This continues to be a major concern that must be addressed as we approach the 1985-86 academic year.

When we opened our doors in September we had increased our student enrollment in grades 1-8 by 23 students to a total of 643 students which amounted to a 3.7% increase over the previous year. We are currently projecting an additional 25 students or a 3.9% increase for September of 1985. The design capacity of the Griffin Memorial School is exactly 643 students which is our present enrollment. If our projections for September of 1985 hold up we will be exactly 25 students over capacity with a projected total of 724 students by September of 1989.

With this in mind we have included a budgetary item for $4000.00 in our FY86 budget to engage an architect for purposes of preparing diagramatic plans for a building project to be presented at the 1986 Annual Meeting. If it were not for the present overcrowding conditions at Griffin Memorial the ancillary instructional areas would be more than adequate. At the present time we have a class in a section of the Library and we have had to locate all of the computers on the stage. We urge your support for that critical budgetary item.

In keeping with another of our district goals the Health Education Committee is in the process of completing a new comprehensive health education cirriculum designed after the Muscogee Health Project in Muscogee County, Georgia. The Muscogee Project involves students, readiness through twelfth grade, in a comprehensive health program that includes such topics as safety; nutrition; personal hygiene; first aid; community and consumer health; substance use and misuse; physical fitness etc. All topics are tastefully handled and systematically taught to avoid repetition.

The health Education Committee made an interim report to the Litchfield Board of Education in June of 1984 and will submit their final report early in 1985.

The implementation of a comprehensive program of computer education continues to be a major goal of the school district. During the 1984-85 academic year we have added seven additional micro computers to complete the student lab at Griffin Memorial School funded through Chapter II of the Elementary and Secondary Education Act of 1965 (Bloc Grant). Students can work independently or in class size groups in the lab which is temporarily situated on the stage. Our Computer Education Committee, under the direction of Dr. Mark Piechota (Assistant Principal at Alvirne High School), is in the process of developing a new three (3) year plan to continue our program of implementing computers into the instructional process.

The Hudson and Litchfield School Districts have recently become involved with the "Network", a non-profit educational collaborative located in North Andover, Massachusetts, to provide computer assistance for the special education programs. The project is designed to assist our special education department to place all the components of our individualized education plans on computer. Thus, when a handicap has been identified, it would be possible to retrieve all of the possible components for an individualized education plan to address that particular handicap. In addition, this project is designed to help our special educators to use computers more effectively in our special education program.

Two new goals involve a review of promotion and graduation requirements as well as a review and update of policies and procedures for student management. A committee, under the chairmanship of Dr. B.J. Lates (Asst. Principal at Griffin Memorial School), is in the process of reviewing promotional requirements at all grade levels and graduation requirements at Alvirne High School. Another committee involving parents, teachers, and the administration, worked over the summer to revise policies and procedures for student management. That committee has continued in existence to monitor student management during the current academic year.

Our proposed FY86 budget reflects a 9% increase for teacher salaries for the second year of a two year agreement with the teachers. In its now famous report, "A Nation At Risk", the National Commission on Excellence in Education recommended that "salaries for the teaching profession should be increased and should be professionally competitive and market sensitive". In its report on the "Condition of Teaching" the Carnegie Foundation reported that in 1982-83 the average teacher salary for the fifty states and the District of Columbia was $20,531. In the list of average teacher salaries New Hampshire ranked 48th out of 521 with an average teacher salary of $15,353. In the 1984-85 academic year the average teacher salary in Litchfield is $17,224. and that is with approximately nine (9) years of service.

Abysmally low teacher salaries coupled with a new teacher shortage that will grow dramatically in the late 1980's and 1990's poses a serious threat to the quality of public education. The reasons for this new teacher shortage are quickly becoming evident. Teacher training institutions are graduating fewer teachers as students opt for more lucrative professional choices. In addition, women and minorities are choosing other careers rather than the more traditional alternatives.

This, coupled with a baby boomlet that began in the early 1980's and has started moving through the primary grades this year, creates a serious situation. Secondary schools will also feel the crunch particularly in subjects such as math and science. The National Center for Educational Statistics projects a shortage of about 11,000 teachers starting this year and growing to 18,000 in 1987. By the turn of the century the demand is expected to exceed the supply of new teachers nationally by a cumulative 278,000 teachers.

A significant increase in teacher salaries is critical if we are to continue to attract and hold good teachers. An improvement in working conditions is also important to help curb the effects of this proposed teacher shortage. With that in mind we urge your support in the second year of our two year negotiated agreement with the teacher's association.

In conclusion let me simply say that those of us responsible for the operation of the schools are acutely aware of the burden placed on the residents of a property poor community such as Litchfield with very little equalizing support from the state. We are making every effort to make the educational process as cost effective as possible. We seek your cooperation and understanding as we attempt to meet our responsibilities in a fiscally sound fashion while continuing to offer a quality educational program.

In closing, I would like to thank the School Board, Mr. Burton, Mr. O'Shea, Mr. Scott, Mr. Donegan and the entire school staff for their unfailing cooperation and, finally, the citizens of Litchfield for their continued committment to excellence in the total educational program.

Respectfully submitted,

Peter G. Dolloff
Superintendent of Schools

REPORT OF THE PRINCIPAL OF GRIFFIN MEMORIAL SCHOOL

Mr. Peter Dolloff
Superintendent of Schools
Memorial Drive
Hudson, New Hampshire 03051

Dear Mr. Dolloff,

The student population growth has been relatively minimal this year. School opened with 643 students, up 23 over last year.

There was considerable staff turnover this year. Gil Johanson is our new guidance counselor replacing Tom Rousseau. Gil comes to us from the Worcester area and has several years counseling experience in education and with the Massachusetts State Police. Janet Veves is our new social studies teacher replacing Bob St. Jean. Janet has taught several years in the Westford and Chelmsford, Massachusetts systems. Mary Williams is teaching social studies and language arts. Mary comes to us from New York State with a number of years experience. Mary Bartash is replacing Thana Vance. Mary taught special needs in Maine and also has several years experience. Janice Harvey is a special needs teacher for several youngsters who would have been tuitioned out of the district. This is a new position. Janice has several years experience teaching in Connecticut. Laurie Chapman is our new speech therapist replacing Nancy Leggat. Laurie hails from South Carolina and has taught several years. Steve Gutekunst has replaced Candy Friborg as music teacher. Steve has several years experience teaching music and coaching in Virginia, Massachusetts, and Connecticut. Kenda Arsenault is our new fourth grade instructor replacing Leslie Fredette. Kenda has several years experience in Texas schools. Marie Barowski has replaced Kathy Mitchell in the fifth grade. She has taught at the Holy Infant Jesus School in Nashua for the last four years. Gael Ketch is joining our junior high staff teaching science and math. She comes to us from Illinois with several years experience. A new position was created because of overcrowding in the Readiness class. Mrs. Julie St. Louis was hired for this position. She is a graduate of Southern Connecticut State College and previously taught in Connecticut and Nashua, New Hampshire. Ray Gingras is our new maintenance Director. Ray previously owned his own glass company in Hudson.

A revision and update of the discipline code was initiated last June by parents, teachers, and administration. A general forum for input from the public was held in June and out of that meeting a Principal's Disciplinary Advisory Committee was formed. Five interested parents were selected as

committee members with five more parents serving as alternates. Five teachers volunteered to serve along with administration representatives. This group worked over the summer to review the discipline code, investigate new ideas and suggestions and prepare a revised discipline code which the School Board approved at its August 21, 1984 meeting.

In the area of computer education we are continuing to make considerable progress in making our youngsters familiar with micro-computers. Under a Title IV-B Block Grant we have purchased an additional seven Apple II E micro-computers and accompanying hardware and software. We now have a total of some fifteen Apples that are set up in a computer room on the stage. The computer room is scheduled for use every classroom period.

The new readiness class necessitated our using the primary end of the library as a classroom again, thus the stage had to be petitioned and pressed into service as a classroom space.

This last spring saw our "Olympics of the Mind" teams do very well at the state competition. One of our 6th grade teams took first place honors for the entire state and subsequently traveled to Akron, Ohio for the national championships. We are extremely proud of our students and their leaders.

The Parent-Teacher Organization led by Co-Presidents, Mrs. Kathy Kapetanikis and Mrs. Elaine Vaillancourt continues to be instrumental in organizing parent volunteers, fund raising projects, informational meetings, etc. throughout the school year.

One of our school volunteers, Mrs. Mitra Bakski, won a special award presented by Commissioner of Education, Robert Brunelle, at the annual conference held at New Hampshire College last May.

The Raiders Booster Club in its third year of existence continues to help raise money for sports teams equipment and sponsors the annual Raiders Sports Banquet each June.

For the third year in a row our graduating eighth grade class attended a week-long enviornmental camp experience at Grotonwood Environmental Camp in Groton, Massachusetts. The eighth grade class earned much of the tuition costs through magazine sales and sale of a Litchfield 250th Anniversary Calendar with student drawings/artwork, that was co-directed by Miss Heidi Hale and Mrs. Margaret Parent. The P.T.O. lent financial support to the endeavor also. It is a most worthwhile experience and is now an annual part of our junior high program.

We are still experiencing growing pains at Griffin Memorial School. We are overcrowded and have no additional classroom space available. We are now using the primary library space and the gym stage for classroom instruc-

tional spaces. One of our major district goals is to examine alternatives to accommodate future growth in our school system.

I would like to extend my thanks both personally and professionally to the Litchfield Police and Fire Departments, Recreation Commission, The Litchfield Conservation Commission, and Litchfield Jaycees for their many services and assistance with our school programs, aiding and insuring the health and welfare of our youngsters.

I would like to express my sincere gratitude to faculty and staff who help make my job a rewarding one. A special thanks to the townspeople, School Board, and Central Office for their support of our programs.

Respectfully submitted,

J. Richard Donegan
Principal

CHAIRMAN'S REPORT

During the past year, the School District has seen rising costs in utilities, school supplies and tuition payments. The School Board has worked diligently to overcome a deficit as a result of the increase in the amount of the state average tuition payment upon which tuition costs for high school students are developed.

The 1984-85 school year has seen the addition of a readiness teacher to maintain appropriate class sizes for the students in the early primary grade. With the increasing numbers of students and costs of special education placements outside of the district, the School Board elected to hire an additional special education teacher as a cost effective measure.

The past year the School Board has worked extensively on the revision of the existing policy manual. This project will ultimately align many of our existing policies with those recommended by the National School Boards Association and the New Hampshire School Board Association.

As part of the School District's annual goals a committee comprised of staff from Hudson and Litchfield have reviewed and examined several Health Education Curriculum packages. The committee is working towards beginning implementation of the material during the 1985-86 school year.

The Board after examining recent school population projections has started to plan for future building expansion. With the continued growth in the community and the increasing number of houses under construction, additional building space will be needed by the 1986-87 school year. The Board recognizes this as an immediate need and will continue to address it as an annual goal with highest priority.

Again it has been a pleasure to serve the citizens of Litchfield. Both the Board and I wish to thank the many people who have supported and encouraged our efforts on behalf of the children. Allow me to take this opportunity to urge the townspeople to take as active a part in local government as possible.

Sincerely yours,

Robert D. Bennett
Chairman

LITCHFIELD SCHOOL DISTRICT

ANNUAL MEETING

March 23, 1984

Place: Gymnasium, Griffin Memorial School

Time: 7:08 PM

Present: Philip M. Reed, Moderator, presiding; School Board members Thomas Carroll (chairman), Sandra Simmons, Marijane Herbst, Ellen Robinson, Robert Bennett; superintendent of schools Peter Dolloff and assistant superintendent Larry Burton; Griffin Memorial School principal J. Richard Donegan; numerous members of Griffin and Supervisory Unoin staff; approximately eighty (80) voters and observers.

The moderator opened the meeting, followed by the recitation of the Pledge of Allegiance led by Stephen Robinson, chairman of the Board of Selectmen.

Moderator Reed explained the procedure to be followed during the course of the meeting, and sought the assembly's approval for allowing non-voters to speak. Voters said "aye", and approval was so indicated.

Results of the election were read, and the newly-elected school board member and clerk were sworn into office. The moderator had previously been sworn by the clerk.

Results of the election held Tuesday, March 13, 1984, follow:

Names on the checklist	2,123	
Ballots Cast	258	
Moderator: Philip M. Reed	238	votes
School Bd.: Ellen-Ann Robinson	191	
School Dist. Clerk: Diane Jerry	28	write-in
School Dist. Treas.: Jo-Ellen Bellerive	214	

The order in which the articles were considered was given as: Article IV, then III, I, II, and V, in order to give late arrivals a chance to vote on the more controversial items.

The meeting was opened to business under Article IV: Midge Herbst MOVED to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, Federal or other governmental unit or a private source which becomes available during the 1984-85 school fiscal year provided that such expenditure not require the expenditure of other School District funds. Further, that the

School Board hold a public hearing prior to accepting and spending such money. Thomas Carroll seconded the motion. There was no discussion, and the article carried by unanimous voice vote.

ArticleIII: Robert Bennett MOVED to exclude from Social Security coverage services performed by election officials or election workers for a calendar year in which the remuneration paid for such services is less than $100.00.

Thomas Carroll and Robert Desmarais seconded.

Following brief questions, the motion carried by unanimous voice vote.

Article I: Thomas Carroll MOVED to raise and appropriate $536,651.00 to fund cost items relating to salaries and benefits granted to teachers, of which $45,309.00 is additional salaries and benefits negotiated under the collective bargaining agreement with the Litchfield Education Association.

Robert Bennett seconded the motion.

There was considerable discussion, during the course of which the School Board members explained that the increase calculates out to 9.4% for this first year of a two year contract. Robert Desmarais spoke of the desirability of having information pertinent to standardized test results and other measurable criteria published in future annual reports of the Litchfield School District. School Board member Ellen Robinson mentioned the School Board's pleasure in the steady increase the School District has had in SRA scores over the years. When the article was brought to a vote, it carried by voice vote.

Article II: Brent Lemire MOVED that the District raise and appropriate $1,763,566.00, in addition to funds already voted above, for the support of schools for the payment of the statutory obligations of the District, and for the payment of salaries and benefits for School District officials and agents other than additional salaries and benefits negotiated between the Litchfield School District and the Litchfield Education Association.

Elen Robinson seconded the motion.

Copies of the proposed School District budget, broken down by series and by line item within each series, were distributed to all present, and the assembly perused the proposed figures and asked questions as they were inclined.

Thomas Carroll MOVED to amend item 1104-88 under the 1100 Series --Regular Programs-- (Teacher Aides' Salaries) from the Budget Committee's proposed $16,354.00 to the School Board's proposed $16,736.00. During the course of the discussion, it was noted that the School Board proposed salary increases of about 9% for non-bargaining personnel to correlate with the negotiated increases of the bargaining unit; the Budget Committee

was proposing 7% increases.

Ellen Robinson seconded the motion.

On a voice vote, the amendment lost and the $1,763,566.00 proposed by Budget Committee chairman Lemire still stood.

Kathleen Skinner MOVED to amend line item 12-110013-6100-88 (Science Supplies) from the Budget Committee's proposed $293.00 to the School Board's proposed $573.00.

Shirley Reed seconded the motion.

Following discussion, the moderator was unsure of the outcome of a voice vote. He called for a standing vote. David Campbell, Stephen Robinson, Robert Desmarais, and Willis Jewett were appointed counters.

Results follow:
Yes: 30
No: 37
The amendment lost.

Thomas Carroll MOVED to amend line item 12-110023-1102-88 Reading/Salary to the School Board's recommended figure of $21,523 from the Budget Committee recommended $21,032.

Michelle Bennett seconded the motion.

The moderator was not sure of the results of a voice vote, and so called for a division vote.

Results follow:
Yes: 28
No: 39
The amendment lost.

During the discussion assistant moderator David Campbell stood in for a brief period. Moderator Reed returned before the vote on the Main Motion, which still stood at $1,763,566.00

The motion carried by voice vote.

The moderator thanked officials for the work done preparatory to the meeting. School Board chairman Thomas Carroll announced the gratifying standing of Litchfield youngsters representing Griffin Memorial School in the State's Olympics of the Mind competition. The three Litchfield teams all ended up in the top three for their class level in the State competition of this creative problem-solving program. The team for grades 6, 7, and 8 won the State competition and will be competing in the World Competition in Akron, Ohio.

Teacher Margaret Parent called the assembly's attention to an eighteen-

month calendar designed by eighth grade art students as part of the Town's 250th anniversary celebration. She encouraged the purchace of these calendars to help fund the class' graduation trip.

Principal Donegan introduced those menbers of his staff who were present at the meeting.

Article V: At 8:50 PM, Robert Bennett MOVED to adjourn.

Thomas Carroll seconded.

The motion carried by unanimous voice vote.

The total monies appropriated at the School District Meeting are $2,300,-217.00, as proposed by the Litchfield Budget Committee.

A true record of School District Meeting including
a true record of the election results and
a record of votes taken on the Budget
